

Dedicated to Make a Change, L3C

Dear Friends of DTMAC,

Happy 2015! The New Year gives us a fresh start as we come back from winter break.

Prevent and Prevail Facilitator and Chaperon training for run 6 starts January 13. In preparation for our next run facilitators have an additional twelve hour training. The Prevent and Prevail run 6 is scheduled to start February 3rd, running for its usual 5 weeks. It is being hosted at the Ypsilanti Community Center on Clark from 6-8 on Tuesdays.

We are happy to announce Juan Davis, Justin Thomas, Maia Byrd, Michael Carthage, and Cierra Broach as the Ypsilanti Community High School Ethics Bowl team. They are working hard to prepare for the Ethics

Bowl on February 8th. The Ethics Bowl is at the Neutral Zone. Come out and support the YCS team.

The H.O.P.E. Academic Participants are cracking down on their studies to prepare for midterms. The Clubhouse atmosphere currently is focusing hard on review and comprehension of participants' exam prep. Each Thursday the 11th graders have ACT prep.

Starting February 3rd, DTMAC is offering drop in hours on Tuesday and Thursday from 6-8 pm. Transportation will not be offered. These are drop-in hours for Ypsilanti students who want a quiet place to study, with easily accessible assistance. These hours will not be paying hours, but snacks are provided.

There will also be a monthly Saturday cooking program. The first session will be on January 24th. We will be cooking delicious and healthy Japanese food, and teaching terms in Japanese as well. This will be hosted at the Clubhouse from 1 pm to 3 pm. Dedicated to Make a Change continues to add programs that are requested, and these new additions will help us do that. We are excited to see and meet new faces.

As always, we are grateful for the continued support of our L3C! Our website continues to be updated at www.dedicatedtomakeachange.com

Have a great New Year and stay warm this cold season,
Dedicated to Make a Change
