

Dedicated to Make a Change, L3C

Dear Friends of DTMAC,

Happy April! We are hoping for the weather to be heating up, and staying nice this spring.

Participants, 350 student, interns, and tutors have the week off~ activities are planned~ if you are interested, you **MUST** sign up for each individual event.

The Spring Break H.O.P.E. Schedule is as follows:

Tuesday April 7th: Jiffy Mix Tour, in Chelsea, Mi. The tour starts at 1:30 pm, we will be leaving the clubhouse at noon.

Wednesday April 8th: Wayne State tour & D.I.M.E., Detroit, Mi. Tour starts at 11 am. We will leave the clubhouse at 9am and return at 4pm.

Thursday April 9th: No activity.

Friday April 10th: WCC Campus Explore & Tour, Ypsilanti, Mi. 9:30 am – 1:10 pm. Leave clubhouse at 9 am and return 2 pm.

In just a few months, teens will be out of school ready to be with friends and family. Last summer, Dedicated to Make a Change offered summer programming. We were unique in many ways; youth did not have to pay, youth were encouraged to plan and run activities for all Ypsilanti youth, and youth met Ypsilanti representatives and mayoral candidates. All other youth programs cost money or were not available for youth over 13 years of age.

Dedicated to Make a Change, L3C has a proven record for the prevention of first time and further encounters with the law. Youth are off the streets and out of trouble. DTMAC needs business partners

to team up with, to continue our positive work with youth. Will you be a partner?

This month, we would like to showcase The Rocket. They offer a large selection of wrapped and unwrapped bulk candy, novelty, nostalgic, and traditional wrapped candies. On April 23rd, The Rocket is partnering with DTMAC. On this day, April 23, DTMAC receives a percentage from the day's revenue. The Rocket is located in Downtown Ypsilanti at 122 W Michigan Ave.

As always, we encourage you to check out our website: it is updated regularly, and the easiest way to share news with you other than our newsletters! May you enjoy the spring,

Dedicated to Make a Change
